

CLARECASTLE NATIONAL SCHOOL

Policy on Custody/Separation

The staff of Clarecastle National School encourages parents experiencing separation to come and speak ***confidentially*** to the teachers and/or the principal. It is our aim to handle such matters with sensitivity and compassion, and ultimately, our primary concern is for the well-being and overall development of the child.

- When a child spends time in two homes, it is requested that the school be provided with both sets of emergency/contact numbers.
- Regarding the collection of the children from school, it is requested that the school be informed of any changes in collection arrangements by note.
- It is school policy to offer the option of separate parent/teacher meetings, if so desired (arranged by appointment).
- It is assumed that when we wish to communicate with parents regarding their child, the parent who is contacted (i.e. the parent with whom the child principally resides) will inform the other parent of meeting, arrangements etc. Special requests for separate communication can be accommodated. A request for separate communication must be submitted in writing to the Principal.
- Regarding notes, school communication via schoolbags, school reports, etc., it is assumed that the parent with whom the child principally resides will keep the other parent informed.
- In the absence of a custody arrangement or court barring order, both parents will be treated as equal partners in terms of parenting rights and responsibilities.
- The school cannot be asked to withhold a child from either parent, in the absence of a custody arrangement or court barring order.
- The staff of Clarecastle National School will endeavour at all times to deal sensitively and caringly with children experiencing separation.
